Remarks

Under contract-accepting backup offers. Nestled on the shores of Lake Butler, Puesta del Sol is a masterpiece of design and luxury, just a short walk from the renowned Isleworth Golf & Country Club. Named for the breathtaking sunsets visible from its many terraces, this estate was crafted for grand entertaining and elegant living. From the bold elegance of the grand porte-cochre entry to the graceful curves of its architectural design, every detail reflects sophistication. Rich finishes of granite, Botticino marble, stone, and iron create a timeless aesthetic, while soaring 26-foot ceilings in the living room highlight the stunning coquina and limestone fireplace. The family room is a refined retreat, complete with a custom bar and fireplace. The art deco-inspired primary suite offers a private terrace and a balcony overlooking the living room, creating a serene sanctuary. Meanwhile, the Orchid Room, adorned with intricate depictions of exotic species, opens to a 750-square-foot pool, featuring a Rainbow Bridge and swim-up bar. Adjacent, a private steam room and sauna provide ultimate relaxation. An enchanting wine cellar, secured by custom iron gates and dramatic torchieres, accommodates 1,500 bottles a connoisseurs dream. The convenience of an elevator seamlessly connects the kitchen to the 7.
